Council Accident & Sickness Insurance Plan
Unit Sign-up & Payment Form

The board of directors of the Heart of Ohio Council has approved the National BSA recommendation to purchase accident and sickness insurance for every unit in the council. At recharter time, **an additional $.75 will be collected for every youth and adult in your unit.**

The Heart of Ohio Council wants to make sure all members are covered for every Scouting function. The past disaster at Little Sioux Scout Reservation highlights the need to "Be Prepared" by ensuring every youth is covered. At only $.75 per year per person, it is a bargain and worth it for the peace of mind to our Scouting families.

In rare cases, units have their own accident and sickness insurance or their members are covered by the insurance policy of their chartered organization. If either situation applies to your units, **you must submit a valid proof of insurance in place of the $.75 per person.**
