NYLT

NATIONAL YOUTH LEADERSHIP TRAINING

National Youth Leadership Training is a weeklong training course that provides youth leaders with an opportunity to enhance their leadership skills, while living by the Scout Oath and Law, in an exciting outdoor environment. Scouts who earn the NYLT shield are prepared to meet the challenges ahead, and are better prepared to work with adult leaders.

July 22-28, 2012 - Camp Wyandot at the Firelands Scout Reservation

NYLT is an intense, 6 day, outdoor leadership training experience for youth troop and crew leaders. The course goal is to prepare young men and women to become superior leaders in their troops, crews, their district and other organizations they belong to now and in the future. Participants learn to use current corporate leadership skills within the framework of the Scout Oath and Scout Law. BSA National carefully developed the NYLT curriculum with input from current corporate trainers, the United States Air Force Academy, and others in the training community. Graduates of this program become Senior Patrol Leaders in their troop, as well as leaders in their crews, districts, schools, churches, and communities. The course is led and taught by some of the best youth leaders in the council, all of whom are graduates of the NYLT program, and typically have staffed multiple courses. The adult advisors who assist the youth staff are Wood Badge-trained with extensive experience in training programs.

In previous years, a modified or abbreviated course was provided. We have now built a strong program and we will present for the first time, the full course as described in the national syllabus. To take full advantage of the benefits of the NYLT training, the Heart of Ohio Council has made the decision to move to the full course to offer a better training program. .
