### Boy Scout Summer Camp Site Reservation Policy

1. A non-refundable site fee of \$25 is due by 12/31/12 to reserve your site for 2013. If more than one unit is sharing a site, only one site fee is required.
2. To hold your reservation for the same site in the same week for 2013, your troop can pay by the close of business on Friday during your stay at camp in 2012. If the site is not reserved at that time, your site becomes available to the first troop requesting that site a week after the close of the summer camp season.
3. If you would like a different site in the same week or a different week for 2013, the troop currently occupying that site has first choice. If they do not reserve it at the time they leave camp, the site becomes available a week after the close of the summer camp season.
4. Please keep in mind that this policy is designed to be fair to all troops and will only work if you work with us.
5. In order to properly plan for food and facilities, an estimate of the number of Scouts and adults attending is requested. A roster of the Scouts and adults must be submitted to the council office on the registration form provided in the Troop Leader's Guide.
6. Cancellation Policy: The \$25 site fee is non-refundable. After June 1, no refund on troop or individual registration will be granted unless due to circumstances involving family death, relocation, or emergency (summer school is no exception). All requests for cancellations must be made to the council program secretary by phone at 419-207-8300.
