

The Heart of Ohio Council is going to Sea Base in June 2013! Sea Base is a BSA High Adventure Base located in the beautiful Florida Keys. We will be sending two crews to do one of the following itineraries:

CORAL REEF SAILING

A 40- to 50-foot sailing yacht will become your home for a week. It has a large self-contained galley and dining area where you will prepare wholesome meals from the fresh or canned foods supplied by Sea Base, supplemented by fresh catches from trolling while underway.

Your captain will instruct you in navigation, fishing and sailing, and will remain on board for the entire trip. You choose your own float plan to explore the beautiful Florida Keys.

This trip offers one-of-a-kind snorkeling and abundant fishing.

OUT ISLAND ADVENTURE

You will live as Robinson Crusoe on a remote 100 acre island, shark fishing, snorkeling on pristine coral reefs, trolling for sport fish, kayaking through red mangroves, and exploring the flora and fauna of Big Munson Island. Wade ashore on Big Munson Island carrying all the food, water and equipment for your adventure in a rugged camping setting. Venture out to snorkel, fish and explore. This is a true high-adventure program, one that combines physical challenge with adventure and rugged camping.

SEABASE INFORMATIONAL MEETING

There will be an informational meeting on Saturday, November 12 at the Avery Hand dining hall at Firelands Scout Reservation from 10:30-noon.

Participants must be thirteen (13) and graduated from the 8th grade or fourteen (14) years old prior to June 2013 to participate in this program.

At this meeting, we will be going over details regarding what the requirements are for this High Adventure, answer questions, and review when payments are due. Space is limited, so it is of vital importance to sign up early!

Approximate cost for the trip including airfare to Miami and bus transportation to Islamorda, FL will be approximately \$1,250 per person though the actual fee may change slightly if transportation costs increase or decrease.
